REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

None of the prior art taught or suggested the device as claimed where said first electrodes closely coupled defining a contact area which, when touched by an occupant changes electrical characteristics between said first electrodes. In the prior art devices the user doesn't touch the contact area, but, for example, a flexible substrate or such which bends and so that contact is established. I.E., with the relevant prior art, the area defined by the electrodes in fact does not itself get touched. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kenneth A Parker whose telephone number is 571-272-2298. The examiner can normally be reached on M-F 10:30-6:00.
